

Bob Smith

bob.smith@email.com | (555) 234-5678

Professional Summary

Data Science enthusiast with expertise in Python, Machine Learning, and Data Analysis. Experienced in building predictive models and data visualizations. Strong statistical knowledge.

Technical Skills

Python, Machine Learning, TensorFlow, Pandas, NumPy, Scikit-learn, SQL, Data Visualization, Jupyter, Git, Statistics

Work Experience

Data Scientist at AI Analytics Inc

2021 - Present

Data Analyst at Data Solutions Ltd

2019 - 2021

Projects

Customer Churn Prediction Model

Tech: Python, TensorFlow, Pandas

Sales Forecasting System

Tech: ARIMA, Scikit-learn, SQL

Data Dashboard

Tech: Python, Plotly, Flask

Education

Master of Science in Data Science

State University, 2019
